Answers to frequently asked questions:

Customer is allowed to put out **unlimited** biodegradable Kraft paper bags or marked 33 gal containers with handles or bundled limbs and branches securely tied with twine not to exceed four (4) feet in length.

No bag, bundle or container may exceed 50 lbs.

Customer may also rent a 96 gallon Yard Waste Toter from Waste Management.

Yard waste is picked up the same day of the week as your household trash and recycling.

Yard waste includes grass clippings, leaves, trimmings, branches and other material accumulated as the result of the care of lawns, shrubs and trees. It **does not** include flower arrangements, pumpkins, bales of straw/hay, cornstalks, dirt, or sod.
