

CITY OF WASHINGTON, ILLINOIS Public Safety Agenda Communication

Meeting Date: November 16, 2020

Prepared By: Ray Forsythe, City Administrator

Agenda Item: Public Safety Committee 2021 Meeting Calendar

Explanation: City Council Members are appointed to a Committee at the beginning of each calendar year by the Mayor. This includes Public Safety, Finance & Personnel and Public Works. Historically the Public Safety Committee has met on the 3rd Monday of the Month at 5:30 after the Finance & Personnel Committee and before the City Council Meeting. Public Works Committee Meets on the 1st Monday of the Month prior to the City Council Meeting.

Due to the increase in items on the Finance & Personnel and Public Safety Committee Agendas, there are instances where there is a time constraint and Agenda items are rushed or pushed off to another meeting to allow the Council Meeting to start on time. This is compounded by the current COVID restrictions and meetings being held remotely via ZOOM.

Staff would like to have the Public Safety Committee discuss the option to move the standing meeting to the 2nd Monday of the month, prior to the Committee of the Whole Meeting.

Action Requested: Recommend 2021 Meeting Dates for the Public Safety Committee which is approved in December for the following year.
