

CITY OF WASHINGTON, ILLINOIS
Public Works Committee Agenda Communication

Meeting Date: August 2nd, 2021

Prepared By: Brian Rittenhouse – Utilities Superintendent

Agenda Item: Water Treatment Plant #2 HVAC Replacement Bid Award

Explanation: The HVAC at Water Treatment Plant #2 is currently not working. The Equipment is original to the facility which was built in the mid-90s. Staff agrees it is time to replace the Unit, which has had to be repaired several times over the past few years. We put the HVAC Replacement out for bid, we received two sealed bids. Bids are as follows.

Fritch Heating and Cooling	\$88,860.00
PIPCO	\$97,728.00

Fiscal Impact: Bid was \$88,860.00. Staff Budgeted \$100,000.00 for this project in Account 508-000-800-2000.

Recommendation/

Committee Discussion Summary: Staff recommends awarding Fritch Heating and Cooling the Bid, Not to exceed the Budgeted Amount of \$100,000.00

Action Requested: Move the WTP #2 HVAC Replacement to City Council Consent Agenda.
