MEMORANDUM

TO: Chairman Burdette and Planning and Zoning Commission
FROM: Jon R. Oliphant, AICP, Planning & Development Director
SUBJECT: Public Hearing – Request by Brent Ricketts to Rezone Mallard Crossing Commercial Park
Lots 5 and 6 from R-2 to C-2
DATE: March 28, 2022

Zoning: R-2 (Multi-Family Residential)
Comprehensive Plan: General Commercial

Summary: Brent Ricketts has submitted a rezoning application to rezone Mallard Crossing Commercial Park Lots 5 and 6 from R-2 (Multi-Family Residential) to C-2 (General Retail). Staff recommends approval of the rezoning as detailed below.

Background: The two parcels comprise approximately three acres and are currently zoned R-2. They were originally final platted in May 2006 and were zoned C-2 at that time. Lot 5 was rezoned in September 2006 to C-3 (Service Retail) while Lot 6 was rezoned in February 2007 to C-3. Both of these lots were rezoned to their current R-2 status in May 2011. Neither lot has been developed since its platting.

The lots are currently owned by Andrew Honegger. Lot 5 would be sold to Mr. Ricketts and Lot 6 would be sold to the parents of Mr. Ricketts contingent upon the lots being rezoned. Mr. Ricketts has proposed constructing a multi-unit building that would house his business as well as 2-3 other leased spaces for service-oriented establishments that would be permitted uses in the C-2 district. Access to both of these lots would be from W. Cruger Road.

There are a variety of nearby land uses and zoning classifications. Mallard Crossing Lots 1-4 adjacent to N. Cummings Lane are currently zoned C-2. The lots to the south that contain the Mallard Point Condos are zoned R-2, the lot to the east that houses AAA Storage is zoned I-1 (Light Industrial), and the north side of W. Cruger is zoned C-3.

The Comprehensive Plan identifies the subject properties as General Commercial and the proposed rezoning would be compatible with the plan. These lots are among many that due to their location, are transition lots that are flexible as either residential or commercial. The properties are suitable to be zoned C-2 and would not diminish the property values of the surrounding properties nor would the rezoning cause undue harm to the public's health, safety, or general welfare.

As a result, **staff supports the proposed rezoning of Mallard Crossing Commercial Park Lots 5 and 6 from R-2 to C-2.** A public hearing will be held by the Planning and Zoning Commission at its meeting on April 6. A first reading ordinance would be scheduled for the April 18 City Council meeting followed by a second reading and vote on May 2.
