

## CITY OF WASHINGTON, ILLINOIS

### City Council Agenda Communication

**Meeting Date:** June 5, 2023

**Prepared By:** Dennis Carr, P.E. – City Engineer

**Agenda Item:** N. Wilmor Road Mill and Overlay

**Explanation:** Staff budgeted to mill and overlay N. Wilmor Road from Business 24 to the Newcastle/Westgate/Wilmor intersection. Business 24 is under IDOT jurisdiction, so staff began discussing an appropriate letter of understanding needed to work within their ROW. IDOT requires upgrading ADA Ramps when full width mill and overlay work is done. The two ramps at Wilmor next to Walgreens and CVS are not currently compliant and would require quite a bit of curb/pavement reconstruction to make the ramps compliant. Because of this and the future reconstruction of Business 24, staff worked with IDOT on pulling the mill and overlay limits back to avoid having to reconstruct curb ramps that will ultimately be removed and replaced during the Business 24 project.

IDOT was accepting of the limits being pulled back with the caveat that we perform pavement maintenance all the way to the through lanes. We will have our spray patching contractor perform the pavement maintenance, which is not a part of this contract.

There are only two asphalt paving contractors in town, so we sent a request for quotes to have the mill and overlay done as well as have it restriped afterwards.

Tazewell County Asphalt Pavers - \$196,150.00

United Contractors Midwest - \$ 175,972.44

**Fiscal Impact:** The FY 23-24 street budget includes \$200,000 for this project.

**Recommendation Summary:** Staff recommends awarding the project to United Contractors Midwest for a cost not to exceed the \$200,000 budgeted.

**Action Requested:** Approval to award the project to United Contractors Midwest.

Tazewell County Asphalt Co. Inc.  
23497 Ridge Road  
East Peoria, IL 61611

# REQUEST FOR QUOTES MILL & 1.5" OVERLAY OF N. WILMOR ROAD
