Thank you for your response, Lili.

The Joe Arnold FOIA request has not been fulfilled. Yes, we did provide an original response. However, the requestor has indicated a disclosure on additional electronic communications between the council members and the Pudiks. Therefore, Mr. Arnold will receive the referenced emails below. As I've indicated before, please archive any electronic communications from your personal email account that involves city business. It is imperative that we comply with state FOIA laws to protect the City from violations.

Thank you,

Jim

Subject: Response for meeting January 17th

Jim,

Looking over the emails Mike McIntyre provided to you, I also received the December 17, 2023 to my personal email. This email arrived after Joe Arnold's FOIA request was fulfilled. I forwarded that December 17th email to my City email address on December 18, 2023.

Since there isn't any more information to be given, there's no basis for further discussion in those emails that you forwarded and no reason to have an in person meeting.

Thank you.

Hi John,

Attached are the emails City Clerk Brod received from Council Member McIntyre in response to her request to all members below on November 15, 2023:

Per guidance from the Attorney General's office, I am requesting the following:

Please perform a search of every communication via phone(calls and texts) or email or post between you and a member of the Pudik family (or Goat Springs LLC) between January 2018 and November 2023. This includes any personal email addresses, phones, social media accounts or online information sharing services. Please provide me with all responsive files by 8:00 a.m., Monday, November 20, 2023.

Please let me know your availability to meet with Attorney Brundridge on January 17th to discuss these emails.

Thank you,

Jim

Hi Jim,

Before we talk about setting up a meeting... can you send me copies of the emails she would like to discuss? Without this information in advance, the meeting would not be very productive.

Thanks,
John

Hi John,

Jackson Lewis Attorney Contessa Brundridge would like to schedule a follow-up interview with you about additional council member emails (your personal email account) with members of the Pudik family that have recently come to light. Please let me know if you are available for about an hour on January 17th.

Thank you for your cooperation in the matter.

Jim
