

CITY OF WASHINGTON, ILLINOIS
Committee of the Whole Agenda Communication

Meeting Date: November 11, 2024

Prepared By: Brian Rittenhouse – Public Works Director
Valeri Brod – City Clerk

Agenda Item: Discussion – Proposed Large Memorial at Glendale Cemetery

Explanation: City staff was contacted by the LaHood family who seek to create a large-scale memorial, similar to the historic memorials that appear in the earlier parts of Glendale Cemetery. They are requesting to purchase 96 graves in Block 20, on the south side of the cemetery. This request does deviate from the usual placement of headstones that are kept in the top west, two-feet by four-feet portion of the grave, but staff has discussed the proposal and have no concerns with it. Due to the nature of this request, staff was wanting to inform Council.

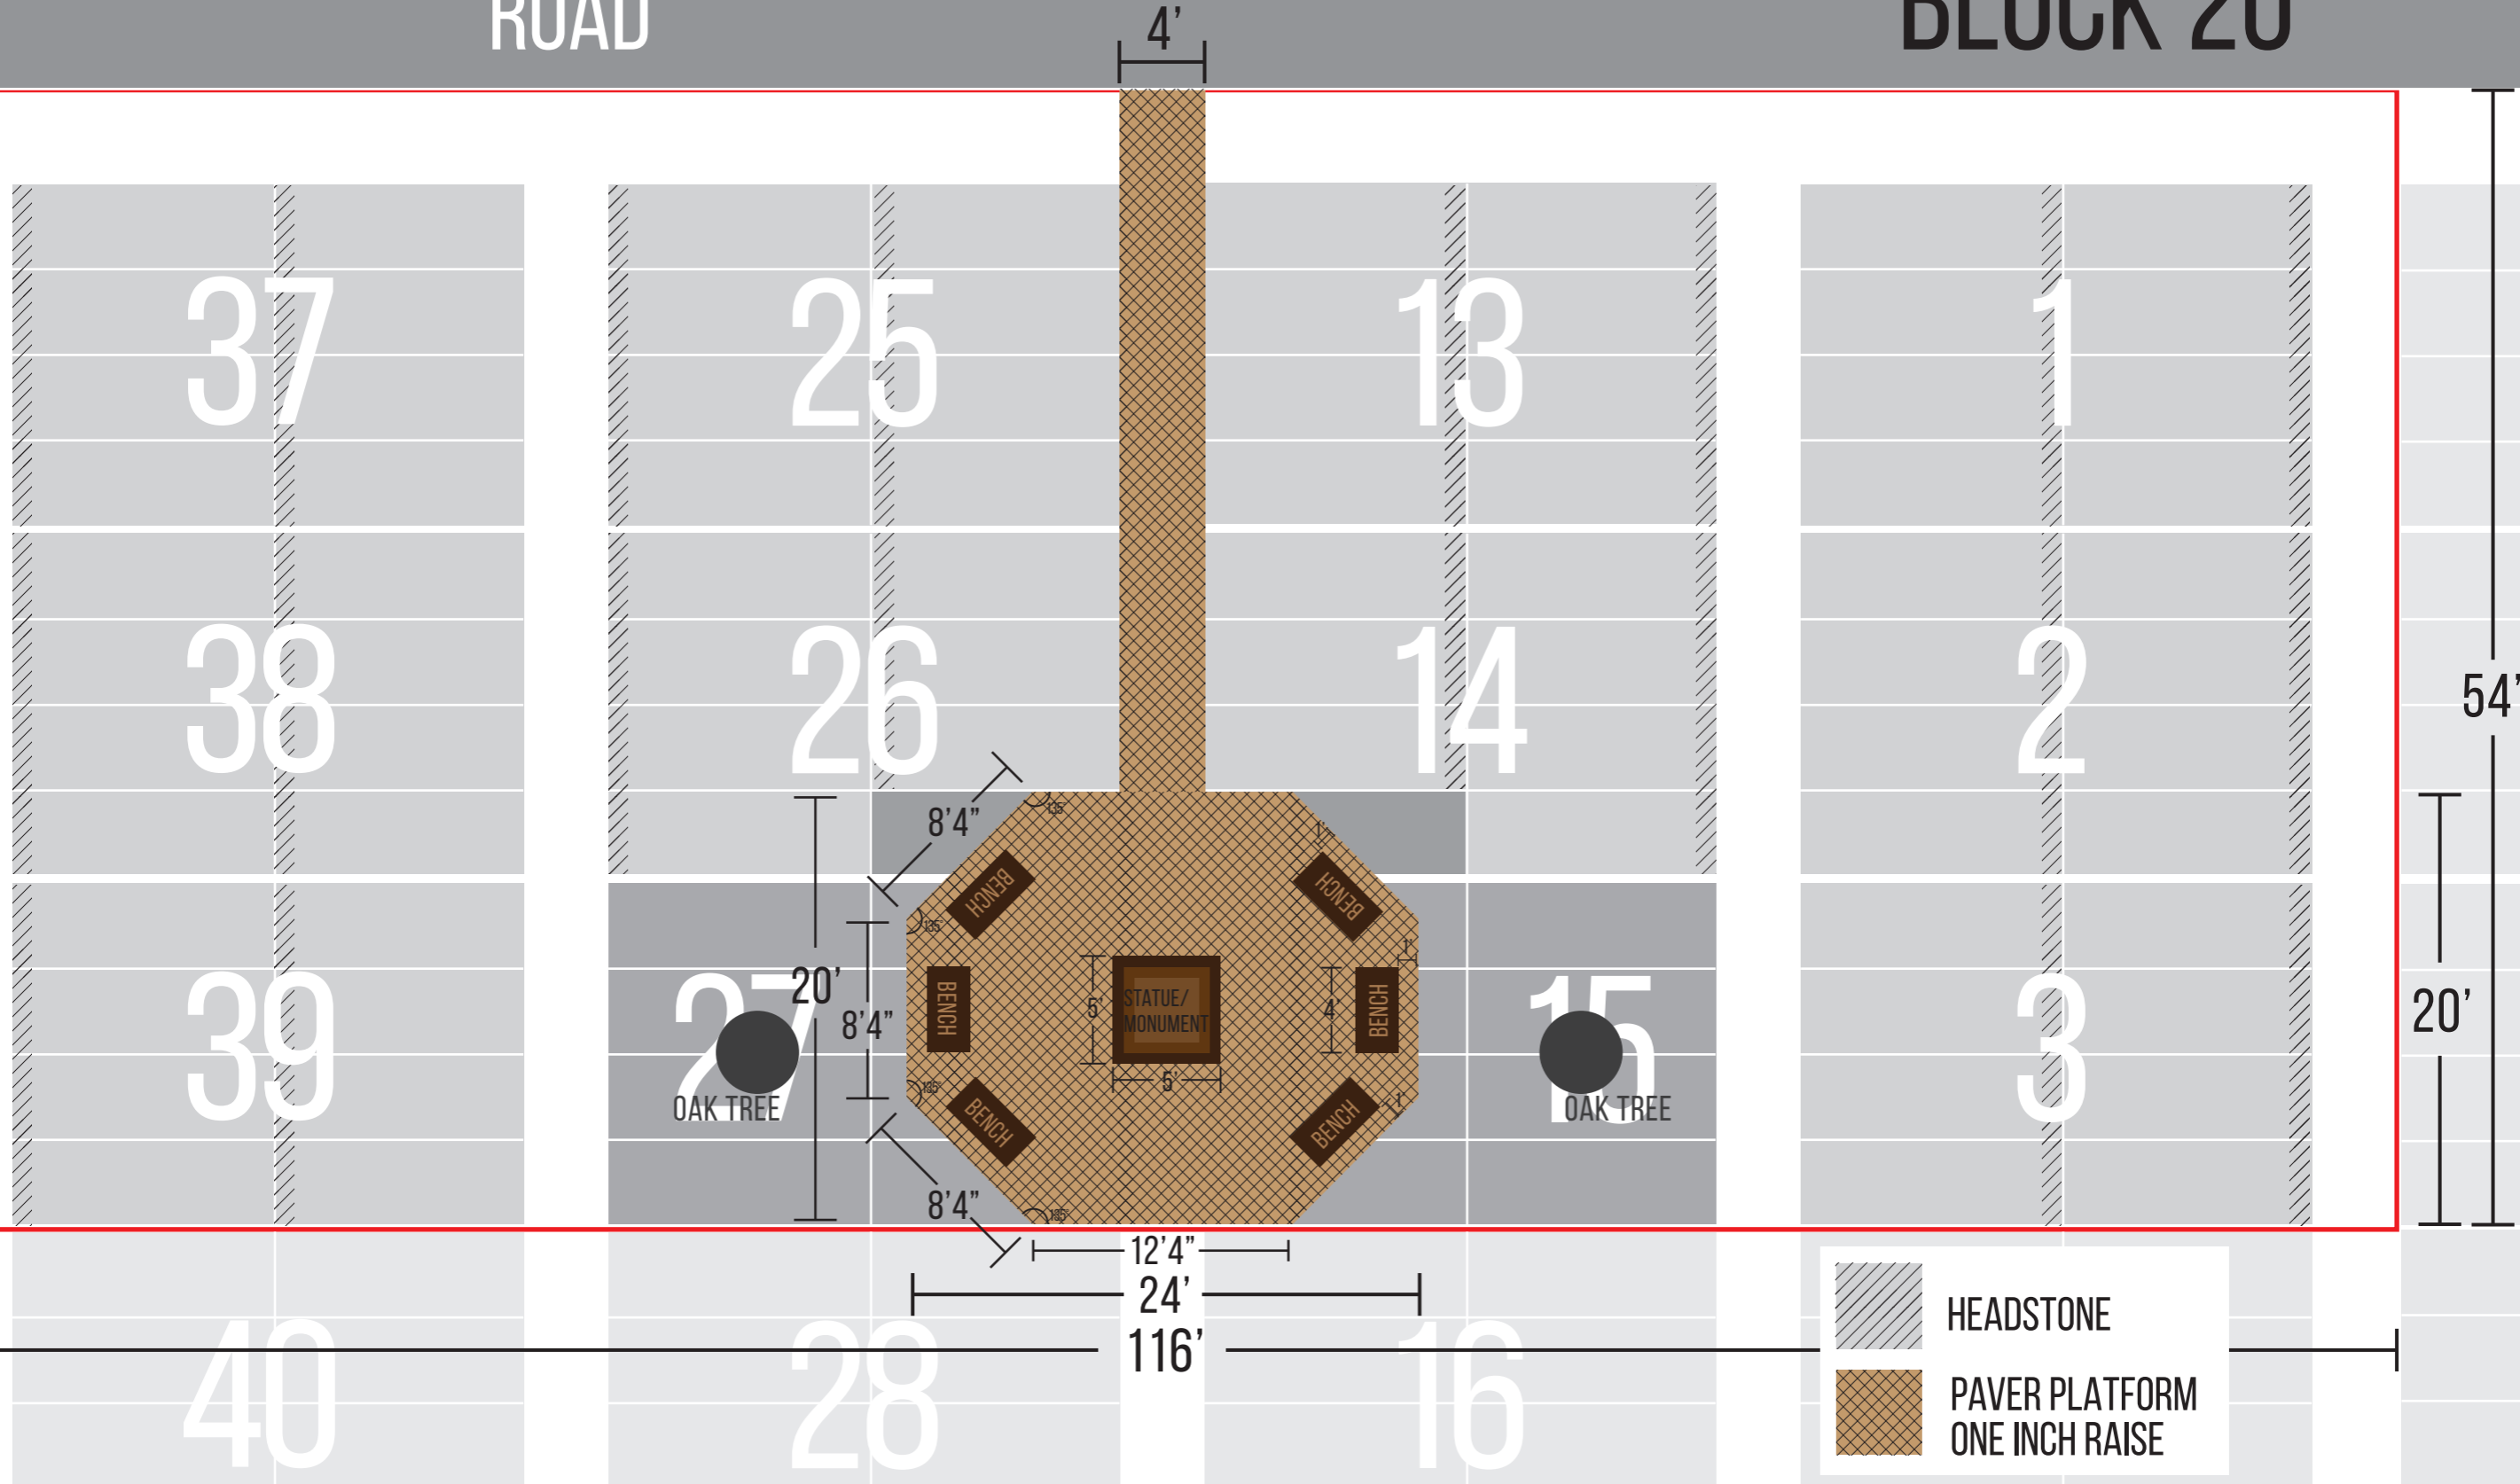

Fiscal Impact: The sale of 96 graves @ \$780.00 each = \$74,880.

Staff's Recommendation: Staff recommends moving forward with the sale of 96 graves to allow the LaHood family to construct the memorial.

Action Requested: Discussion and Support
