

CITY OF WASHINGTON Council Report

February 14, 2025

ENGINEERING – Dennis Carr, Ross Fuller & Mike Genard

- Staff has begun working on a story map for the MFT Maintenance Program. We are hoping that it will answer some of the repeat questions and concerns we get each year as the area changes.
- Staff is working on completing the IDOT paperwork for the 2025 MFT Project now that the 2024 project has been closed out.
- Staff is continuing to work on the budget.
- CMT and Raftelis are continuing their work on the IEPA Project Plan for our water system.
- CMT is continuing their final design efforts on the Candlewood Bridge. We are tentatively looking for construction to start after May 1.

FINANCE – Joanie Baxter

- Preparation of information requested for the Water rate study.
- Review of all capital requests on ClearGov, agreeing to capital slides, reconciliation with funding sources, and compilation of summaries by fund and funding source for Committee of the Whole meeting.
- Completion of Fund Balance projections for General Fund, Water Fund, and Sewer Fund for Committee of the Whole meeting.
- Meetings, phone calls and discussions regarding proposed amphitheater project.
- Development of spending limit proposed changes.
- Analysis and preparation of Group 1 budgets for Audit, Liability, IMRF, Social Security/Medicare, WACC Debt Service, and SWM Project Debt Service Funds.
- Preparation of new personnel proposals.
- Payroll processing for February 14, 2025 payroll.
- Utility Billing (February 1 – 14, 2025)
 - A total of 5,521 bills were processed for January, including 840 emailed bills (15.2%)
 - A total of 526 penalties were assessed for delinquent December bills
 - A total of 33 disconnects were processed for February, including 10 owing a balance, 19 with credit balances, and four with a zero balance
 - A total of 18 cutoffs were processed for December billing and 23 door knockers were distributed and 25 payment arrangements made
 - New accounts and account closings processed:
 - 9 ins
 - 17 outs
 - Leak detection through RNI and Sensus Analytics software – 28 leaks were caught and residents/businesses notified
 - There were 15 new residents in January

HUMAN RESOURCES – *Maureen Chambers*

- Distributed February Newsletter.
- In the middle of our annual step challenge wellness event: The BiSTEPtennial. Employees track their steps, earn a wellness point and get in the running for fun, Washington-esque prizes.
- Updating job descriptions.
- Final stages of Wastewater Laborer recruitment. Setting up a start date at end of February.
- Updating 2025 Wellness Program.
- Updating Injury and Accident Guidelines.
- Training on two recruitment platforms through AAIM Employers' Association: AAIMTrack and OnboardEXP.
- Processed handful of recruitment/termination/retirement/personnel/benefit items.

PLANNING & DEVELOPMENT – *Jon Oliphant & Joe Boyer*

- Contractors are installing wood flooring in the main seating area of the brewpub at 140 Washington Square. Sanding and staining of it should occur early next week. Carpenters are installing baseboards and other trim. The second-floor deck area floor is partially installed and the contractors are awaiting a break in the weather to complete its installation. Fire alarms will be connected very soon and once that is finished, an inspection will be completed by the life safety inspector. If satisfactory, the Certificate of Occupancy can be issued.
- The sprinkler system has been installed at the event space building at 120 Walnut. The carpenter will frame the front façade in order to weather tighten the building.
- Staff had a quarterly meeting with PACVB staff. The 2024 4Q review is attached. Several Washington businesses were highlighted in their recent blog and social media posts. The current one-year agreement option expires on April 30 and staff anticipates having PACVB staff attend an upcoming Committee of the Whole meeting to discuss the possible approval of the FY 25-26 option.
- Staff anticipates work beginning in the near future on the completion of the build-out for Trails Edge subdivision Section 9. Permit applications have been submitted for six new home starts and it is anticipated that those will begin within the next few weeks as the weather begins to improve. Two new construction permits will be issued soon in Oak Creek subdivision Section 7.
- Staff has been reviewing other municipal noise regulations to determine if any code amendments could be considered to address noise resulting from the proposed amphitheater and general noise within the city limits. Three alderpersons have requested that this be discussed at a future City Council meeting.
- Staff has been finalizing its FY 25-26 budget requests. There is little change from the current budgeted items.

PUBLIC SAFETY – *Chief McCoy & Deputy Chief Stevens*

- WPD is conducting two unrelated death investigations.
- Officer Nate Thompson was assigned to the Investigations division. He is training in house and has further training planned through the MTU and other sources. Nate's eventual focus is expected to be financial crimes.
- Beth Duley coordinated budgeted replacement of 13 department computers with IT360.
- The FY 25-26 budget request will reflect the notice we received February 13 of a fee increase of over 50% for public safety dispatch services. We will pass along more information regarding the reasoning as we receive that.

PUBLIC WORKS – *Brian Rittenhouse*

- Well #12 is back in operation. Staff will run it for the next couple of months to make sure there aren't any mechanical issues.
 - Most of this year's CIPP lining has been completed. Staff repaired a section of sewer main and installed a new manhole and all CIPP lining should be completed by early March.
 - Staff continues to respond to snow events. These events are followed up with equipment maintenance.
 - In between snow events, crews are out patching potholes and taking care of service requests.
 - Staff is working on the Fiscal Year 2025-2026 budget. This includes reviewing the current fiscal year and where projects stand and looking at future projects and where they fit in over the next few years.
