MEMORANDUM

TO: Chairman Burdette and Planning and Zoning Commission
FROM: Jon R. Oliphant, AICP, Planning & Development Director
SUBJECT: Public Hearing – Special Use Request by Candy Presley and Candace and Sebastian Whiting to Allow a Residential Non-Owner-Occupied Short-Term Rental at 711 S. High Street (the “Subject Property”)
DATE: March 26, 2025

Current Zoning: R-1 District (Single- and Two-Family Residential)

Comprehensive Plan Designation: STFR (Single- and Two-Family Residential)

Request Summary: Candy Presley has submitted a special use application to allow for a residential non-owner-occupied short-term rental to operate at 711 S. High Street. Staff recommends approval as detailed below.

Background: The City of Washington adopted regulations in December 2024 to allow for short-term rentals (STR) to operate within the city limits. Staff identified several that were previously marketed on national STR platforms. One of those is the STR at the Subject Property. Any non-owner-occupied STR in a residential zoning district must obtain a special use permit prior to its operation. A non-owner-occupied STR refers to the entire structure being reserved for exclusive use by guests during the rental period. The special use permit is non-transferable and non-assignable.

The Subject Property totals approximately 0.32 acres and is zoned R-1 (Single- and Two-Family Residential). It is located at the corner of S. High and Oakland Avenue in a long-established residential area near the southern city limits. The proposed STR has the required minimum off-street parking ratio of one space per guestroom for use by the guests. Additionally, staff has completed an inspection to ensure the rental does not pose a hazard to life, health, or public safety.

The following are factors to consider in light of the special use request:

1. The special use will not be detrimental to or endanger the public health, safety, morals, comfort, or general welfare:	This does not figure to be detrimental or endanger the public health, safety, morals, comfort, or general welfare.
2. The special use will not be injurious to the use and enjoyment of other property in the immediate vicinity, or substantially diminish or impair property values:	The proposed special use does not figure to be injurious to the use and enjoyment of other properties in the immediate vicinity or substantially diminish or impair property values.
3. The special use will not impede development of surrounding property:	The proposed special use does not figure to impede development of surrounding property.
4. Adequate utilities, access roads, drainage,	Adequate utilities, access roads, drainage, or necessary facilities are provided.

or necessary facilities will be provided:	
5. Adequate ingress and egress provided to minimize traffic congestion in public streets:	Adequate ingress and egress is provided to minimize traffic congestion in public streets.
6. The special use will conform to all other application regulations of the zoning district:	The proposed special use will conform to all other application regulations of the R-1 zoning district.
7. If the special use would not otherwise be acceptable, the Planning and Zoning Commission may recommend certain conditions be met to make the use acceptable:	No other conditions are recommended to be applied for the proposed special use.

Conclusion: The proposed special use to allow for the continued operation of a non-owner-occupied STR at 711 S. High Street would be a solid fit for the neighborhood and should not be detrimental to nearby properties. Staff recommends approval of the special use permit request.

A public hearing will be held by the Planning and Zoning Commission at their meeting on Wednesday, April 2, 2025, to make a recommendation to the City Council.
