

## ANNOUNCEMENT OF NEWLY RECODIFIED CITY CODE

October 29, 2024

The City of Washington is happy to announce that it has partnered with Municode to provide residents with a new dynamic platform for our City's Municipal Code. Our code now provides easier readability, searchability, printing, saving, linking and sending features. The newly recodified code can be found by clicking on the blue "Municipal Code" button on the city's homepage.
