## NOFSINGER REALIGNMENT PROJECT UPDATE

As a part of the Nofsinger Realignment Project, east and westbound stop signs will be installed on Cruger, at the intersection of Cruger and Dallas. This will now be a four-way stop. The new signs will be installed on Wednesday, December 4. Message boards will be placed for both east and westbound traffic on Cruger to inform drivers of the new stop signs. The new road is tentatively scheduled to open the week of December 16.
